The Cerebral Palsy Association of Nassau County (CP Nassau) is holding the 16th Annual Polar Bear Plunge on March 8, 2020 at 1:00 p.m. at Theodore Roosevelt Park in Oyster Bay, Long Island. This fun event will benefit the over 1,500 children and adults with disabilities who participate in programs and receive services through our agency. We anticipate many brave participants taking the plunge in an effort to raise funds for CP Nassau!

We feel that your company is a perfect fit for sponsorship. As a sponsor you will benefit from prominent visibility in all our media advertisements and announcements. There will be opportunities to have on-site displays or booths at the event as well. Of course we welcome additional swimmers if you and others from your organization are so inclined!

Last year’s Plunge was a big success thanks to the many brave swimmers and the support of other generous individuals and groups who were on hand to offer encouragement and support.
