SPONSORSHIP OPPORTUNITIES

To Benefit

On behalf of the Cerebral Palsy Association of Nassau County (CP Nassau), we thank you for considering Sponsorship opportunities for our Trivia Challenge Competition. Now in its 34th year, Trivia Challenge is for students in 3rd grade up to 12th grade. Participating students, in teams of four, take the 100-question Trivia Challenge written test. It covers a wide variety of subjects from academics to popular culture. Students ask family and friends to sponsor them to take the test and we offer students fundraising prizes. The highest scoring team from each school is invited to compete in the county-wide Trivia Challenge Championship held at our facility at the end of February. The winning team on each level receives the Trivia Challenge trophy to display in their school for the year.

CP Nassau is an independent, not-for-profit health agency serving over 1,500 children and adults with cerebral palsy, developmental and other disabilities. The Association, founded in 1948, operates a comprehensive Treatment and Rehabilitation Center in Roosevelt, NY, which has earned international recognition for innovative and high quality programs.

CP Nassau is a vital resource for Long Islanders and offers a total therapeutic community, meeting the needs of individuals from birth through their senior years.

Your sponsorship will help us create an exciting event that will raise significant funds and awareness for CP Nassau.

Sponsorship of Trivia Challenge offers you the opportunity to promote your products or services to a group of influential parents, grandparents, educators and students, while helping CP Nassau carry out its mission.
